Price per m² | Source: INE & Idealista ; Table created by Spark

- According to data from INE, the median price of transaction in Q2 of 2020 regarding all apartments (new, used and derelict) in São Vicente was €3.375.
- This value is 4,77% higher than the median for the County of Lisbon (€3.247). Despite the small difference, the Parish of Graça has always been one of great renown in the city of Lisbon due to its location, noble setting and proximity to historic landmarks. This location has a lot of potential buildings for rehabilitation and therefore ample room for capital appreciation.
- At an median price of 6.658€/m², Graça II project features 16 units in a prime historical location. The breathtaking views from the top floors alongside the private condominium style garden, make for very interesting real estate, and a fantastic investment.
